

Schaller Public Library

April 30, 2020

Present: Doris, Judy, Janice, Jane, Carol, Rich and Brenda

We discussed when and how we should open the library back up to the public. We talked about “by appointment” checkouts, curbside service and limited numbers at a time. It was decided that we would remain closed for another 2 weeks at this point. There was a confirmed case in Sac County of Covid19, just reported today. We don’t think it has peaked here in Sac County yet and would like to keep everyone safe. We will reevaluate in 2 weeks. When we do open, it will be on a very limited basis. Adults only, no children. No Legos, Wii or the like. No coffee. Come in, check out your books and go.

President Jane talked with Mayor Sean during our meeting and got his approval.
